

Bob Martin

Bob Martin has been described as a "Master Teacher." He has worked with individuals at all levels and employs a mixture of passion and humor that entertains as well as informs.

Bob's methods are reality-based and result-oriented. Based on proven methodologies, he focuses his instructional methods toward practical applications to be used immediately within the workplace. As a life-long student, Bob excels at discovering and achieving not his, but your goals for your group.

Bob credits his background as an educator and experience in the recording industry for helping to provide educational and entertaining programs. An experienced facilitator, Bob provides an environment where even your most cynical group members can learn and leave with their self-esteem intact.

Bob has worked with countless companies who want their employees to communicate more effectively, save time and promote a superior work environment. He looks forward to doing the same with your group.

This was the best speaker I have heard. I took away a dozen concepts from this seminar that I will be able to put into practice tomorrow. Awesome use of 6 hours. *Christopher Carroll, Managing Partner, KSC Public Relations, Sarasota, FL*

Bob was terrific! Great speaker - energetic, funny and engaging. Just 2 things I learned made it worth the cost in the time I will save (wish I'd known 2 years ago!). *Jo Summann, Field Marketing Rep. Alias/Wavefront, Los Angeles, CA*

Bob did an outstanding job of helping me to feel more comfortable in my new role as a supervisor. I am confident as I leave today, that I am on my way to becoming a more competent, caring and informed supervisor. *Linda Spender, Registrar/Assessment Coordinator, Tacoma Community College, Gig Harbor, WA*

This seminar went way beyond my expectations. Everyone in today's society can use the information given in his or her every day life. I work with the mentally ill population this will help me with my job duties as well. *Tanya Dillon, LPN/MMP, Trinity Services, Lockport, IL*
